WHEN DR. SKEETER COMES.
For years the problem puzzlingly
Has racked my brain from day to day;
I fain would know the reason why
The Junebug comes in May.

And why,
When Dr. Skeeter comes to call,
And operate against your will,
Ere he begins to work at all
He first presents his bill.

VAN INWEGEN—CARNAHAN.

Friends have been apprised of the marriage
of Mr. C. C. Van Inwegen, Jr., of Spokane,
Wash., and Miss Emma Carnahan, formerly of
this city.

The wedding occurred Wednesday, April 29th,
at Spokane, the ceremony being witnessed by
near relatives and friends.

The bride is the daughter of the late John
T. Carnahan of Maysville, and is a young
woman of many fine traits of character. The
groom is a member of the Citizen's Electric
Company of his home city.

Mr. and Mrs. Van Inwegen have gone to
housekeeping at 2123 Boone avenue, Spokane.

DISMAL FAILURE.

The Caterer of the Island Queen a
"Grafter" of High Degree.

The Redmen of this city, through a commit-
tee, contracted with the owners of the Island
Queen to take their recent guests on a river
excursion.

They were to pay \$350 for the boat, and 25-
cents-a-head for furnishing lunch to the guests,
the minimum number to be 500, with practi-
cally no maximum.

When the contract was made, \$100 was paid
down—"not necessarily for publication, but
merely as an evidence of good faith."

A check for the remaining \$250 was handed
over to the boat's Clerk when she arrived here
to enter upon her part of the contract.

Payment for the lunch was to be made when
it was ascertained how many guests were on
the boat.

The number of tickets taken up was exactly
720, which entitled the Coney Company to
\$180; but when the eminent caterer announced
that the guests had demolished 10,000 sand-
wiches and 50 gallons of coffee, and that the
ladies were yet to smother 50 gallons of ice-
cream and ever so many cakes; that the sand-
wiches and coffee were "all gone,"—and this
when fully a third of those on the boat hadn't
even seen the shadow of a sandwich or sniffed
the faintest aroma of coffee,—the committee
thought it time to register a large-sized "kick."

It didn't even take time to figure up that,
admitting that every one of the 720 guests had
been sandwiched, each one would have eaten 14
of the ham-bread-cheeselets, but at once ordered
the boat headed for Maysville, where the hungry
could be fed and the weary get rest.

After a second demand, the boat was turned
about, but it took her over two hours to run
ten miles—a plain effort to "kill time."

This last was the rye straw that broke the
Indians' backstrap, for a speedy return to the
city would have enabled the hungry to fill up
at a restaurant, while they came in too late to
enjoy anything but a walk home on an empty
stomach.

Altogether, a broken contract, and a whole-
sale "graft" on the part of the caterer—who
was not known or recognized by the Committee
in any way in the transaction—resolved the
Committee upon heroic measures.

Consequently, payment for any part of "them
10,000 sandwiches," and "them" 50 gallons of
coffee was not only refused, but one of the
Committee roosted all night on the steps of the
State National in order to catch the early bird
of the Bank and notify him not to pay the
\$250 check that had been given.

It was lucky that the Committeeman so
roosted, for bright and early no less distin-
guished fakir than the Sandwich King himself
put in his appearance with the check for pay-
ment; and he got a dreadful fall when the
Teller told him he couldn't pay—that it was
"all out."

This is one time the "graters" struck a
proposition somewhat different from the gang
that inhabits Coney.

If the Coney Company and its caterer had
intended doing the fair thing, THE LEDGER will
give them a "tip" that would have accom-
plished it. If, when the passage tickets were
taken up at the gang-way, a lunch ticket had
been issued to each person going on board, re-
deemable by the Committee at 25 cents each,
it's dollars to doughnuts that the illustrious
"Chef" would have fed the last mother's son of
the Redmen's guests! As it was, he was due
to get \$180, whether he fed 200 or 5,000—
and he took chances on the lesser number.

Great is the Chef of the "Sandwich" Island
Queen!

Too Great a Risk.

In almost every neighborhood some one has died
from an attack of cholera or cholera morbus, often
before medicine could be procured or a physician
summoned. A reliable remedy for these diseases
should be kept at hand. The risk is too great for
any one to take. Chamberlain's Colic, Cholera
and Diarrhoea Remedy has undoubtedly saved the
lives of more people and relieved more pain and
suffering than any other medicine in use. It can
always be depended upon. For sale by J. Jas.

Said a gentleman who bought one of our Wool Crash Coat and Pants yester-

Upon telling him the price of the suit he inquired if the material was all

price we sell them for.

warranted to give satisfaction or the money back. No risk in buying Shoes here.

HAYSWOOD EXERCISES.

Physical Culture Department Gives Public Showing of Work.

The first of the exercises toward the closing of school work this session of the educational institutions in Maysville occurred last evening at Washington Opera-house.

The entertainment was given by the Physical Culture Department of Haywood Seminary, under the direction of the very able and talented teacher, Miss Carrie Hays.

Drills, club swings, marches, etc., made up the program, and the friends who had gathered were greatly pleased with the exercises.

The comedietta, "Young Dr. Devine," was very clever, the cast of characters being—
Rebecca—The Monitor.....Miss Leona Carter
Elizabeth—Who is restless, Miss Frances Harbaur
Marie—Who sings.....Miss Marie Rains
Grace—Who is sentimental.....Miss Elizabeth Harbaur
Rose—Who wants to know.....Miss Elizabeth Harbaur
Maude—Who is fond of grammar.....Miss Margaret Lampton

Madame—The Principal.....Miss Margaret Fitzgerald
Dr. Devine—A female Physician.....Miss Elizabeth G. Harbaur

The play depicted the consternation of Hill-side Seminary Girls when young Dr. Devine, who had arrived at the institution for vaccinating the pupils, was found to be Dr. Frances instead of Dr. Francis. Altogether it was very enjoyable.

PAINE'S CELERY COMPOUND.

Saved the life of Mrs. Thos. Wileman,
Bardsdale, Cal.

The Life-Giving Compound That Wives and Mothers Most Need in May.

Paine's Celery Compound does a wondrous work for sick and half dead women in May. The conditions of winter have been detrimental to the health of women and girls everywhere; they have declined in nervous vigor, the blood is reeking with impurities, the excretory organs do not perform their work, and the digestive machinery is sadly out of gear. The human machine must be cleansed, repaired, and strengthened in May. Paine's Celery Compound does the work surprisingly fast, and gives a guarantee of permanent health and long life. It is the one spring medicine that truly nourishes, regulates, and invigorates the entire nervous system, from the brain to the minutest nerve filament. It gives a full, rich supply of energizing blood, it clears the muddy, unhealthy

skin, it gives an increase in weight, and more refreshing sleep. Whatever be your condition, unhappy sufferer, we give you a blessed assurance of a new and lasting health through the use of Paine's Celery Compound.

Mrs. Thomas Wileman of Bardsdale, Cal., writes for ailing and broken down women as follows:—

"I began using Paine's Celery Compound about six years ago. I had severe attacks of sick headache, with sick stomach and vomiting. My friends thought I could not live long, but Paine's Celery Compound cured me. I am now able to do all my own household duties for a family of nine, and I can recommend Paine's Celery Compound to any one suffering as I did with sick and nervous headache."

At the meeting of Limestone Lodge No. 36, K. of P., last evening the members voted unanimously to build a new Castle Hall on the property opposite Washington Opera-house. Nothing definite was decided, the members simply voting on the proposition.

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonchokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Acme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

BE A MAN OR A MOUSE!

Take your stand now either for the great Binder Trust or for John I. Winter, The Price Fighter. Remember always that there is not a Trust article in our stores

Maysville in the War-Time!

HOW SECOND STREET HAS CHANGED!

How many present-day readers of THE LEDGER remember the above scene in West Second street?

It was taken in the fall of 1861, and the army wagons shown constituted General Nelson's supply train being provisioned here for the campaign which culminated in the Federal victory at Ivy Mountain, Pike county.

The view begins just East of Court street.

On the left the first steps on the sidewalk were attached to a residence occupied by Mr. A. F. Power, now Mitchell, Finch & Co.'s Bank.

Just across Court street was another private

residence, which in 1873 gave way to the handsome building of the State National Bank.

Next to this is the only house that remains untouched by the hand of progress; and where John I. Winter's magnificent Furniture Palace now stands was an unsightly salt shed.

The end of the sign shown on the first structure on the right was that of "Bergeman, Tailor," on a house that preceded E. A. Robinson's Limestone Cigar Factory.

The sites of the two adjoining houses are now occupied respectively by the three-story buildings of Harry Taylor and McClanahan & Shea.

The next two, now occupied by D. Hunt &

Son and C. A. Hainline, remain just as they were then; but the four following have been remodeled and now constitute "Enterprise Block," owned and occupied respectively by the Frank Ows Hardware Co., the Barkley Shoe Co., Mrs. L. V. Davis and Thomas Y. Nesbitt.

Across Sutton street and on the corner is shown the long-familiar wholesale grocery of Hamilton Gray, now the site of the handsome Zweigart Block.

It is doubtful if there is today a single person living who did business in any of these houses at the time the now historic photograph was taken.

It looks as if a man's back is the center of strength when he is straining to lift or haul a heavy weight. But the center of strength is not the back, but the stomach. There's no strength in the back of a giant if he's starving. All strength is made from food, and food can only be converted into strength when it is perfectly digested and assimilated. When the stomach is diseased, the nutrition of food is lost and physical weakness follows.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It makes men strong and muscular, by enabling the perfect digestion and assimilation of the food eaten.

"I suffered from a very obstinate case of dyspepsia," writes E. E. Second, Esq., of 13 Eastern Av., Toronto, Ontario. "I tried a number of remedies without success. I was so far gone that I could not bear any solid food on my stomach, felt melancholy and depressed. Could not sleep nor work. A friend recommended your 'Golden Medical Discovery.' I have taken three bottles and it has accomplished a permanent cure."

The Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

PRISONERS SENTENCED.

Alvin Burgess Gets Twelve Years in the Fleming Circuit Court.

Late yesterday afternoon the Jury in the case of Alvin Burgess, which has been on trial this week in the Fleming Circuit Court, brought in a verdict of guilty and fixed his sentence at twelve years in the Penitentiary.

Burgess's crime was the murder of young Walter Peck in Fleming last Halloween night.

Last evening Burgess, with John Grayson, given four years for chicken stealing, and Will Willis, colored, sentenced for fourteen years for killing Mood Lowry, were brought here from Flemingsburg, and this morning were taken to Frankfort.

It was thought best by the authorities that after being sentenced to immediately remove Burgess, hence his being brought to Maysville for the night.

Captain Charles Knox of the Cincinnati and Pittsburgh Line, who is a recognized prophet on affairs of the river, says there will be ample rains at headwaters, which will keep the up-river packets in service until the end of July.

Captain J. F. Ellison is having made a pamphlet with many scenes along the river, which he is going to send out to the patrons of the line. The series of views covers the Mississippi and Ohio rivers, from New Orleans to Pittsburgh.

The trial trip of a new steamboat built at Howards is seldom if ever made on a Friday. Rivermen and boat owners are superstitious enough to believe that Friday is an unlucky day. Several boats have been launched, made their trial trips and started out on their maiden trips on a Friday, and they were not only successful financially but lucky and fortunate in escaping accidents.

Louisville Post—The officers and crew of the great steel towing steamer Sprague drew their pay and left for their homes. She was twenty-seven days out from New Orleans when she tied up at Springbank, at the lower end of Chestnut street, and will lay there until the June rise comes, when she will proceed North to get a new pair of cylinders of two inches larger bore than what she has had. Just after leaving New Orleans one of the firemen, a New Albany Negro, fell dead in the firebox, and on the trip all the deck crew became sick from malaria, causing them to be left at the marine hospitals along the Mississippi. But the only fatal case heard of was the fellow from New Albany. When she started she had twenty-eight coalboats and twelve barges in tow, but added coming along twelve more barges, making her tow when she entered the Ohio just fifty-two pieces, one of the largest charges of empty craft ever handled by a single towboat in the history of river towing science. One of the worst features of the trip was the many "break-downs" that occurred to her machinery, they being too numerous to enumerate in this sketch.

Charles Goodard, while working at Bentley's sawmill in Robertson county, had one of his ankles badly crushed a few days ago.

FIRE AT SHANNON.

House Owned By B. S. Clary Destroyed This Morning.

The large two-story house, owned by B. S. Clary at Shannon and occupied by Mr. and Mrs. Leonard Cracraft, was totally destroyed by fire this morning, together with its contents, and \$30 in money belonging to Mr. Cracraft.

Mrs. Cracraft was attempting to light the oil-stove, when there was a flash, and it is not known whether the stove exploded or whether it had been leaking.

Before assistance could be gotten the flames had gained such headway that the occupants were compelled to flee for their lives.

The loss on the house was \$1,000; insured for \$300 in the Mason County Mutual. Mr. Cracraft loses everything, as he had no insurance on his household goods.

MISS FAY LEE,

President of the Shakespearean Club, Kansas City.

"Your booklet came to me like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and adult children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours. Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
